

The *American Sikh Committee to Evaluate Congressional Candidates* thanks you for seeking to serve our country as a member of the United States Congress. This Committee is a volunteer effort to better understand the policy positions of declared candidates for elected office on matters of concern to the American Sikh community.

The signatories to this letter are acting in their personal capacity. Any listed organizational or business affiliation is for identification purposes only.

The Sikh community has made America home for more than 100 years to pursue economic opportunity, religious freedom and equality under the law. Sikhs are increasingly seeking to match their economic success and community service with civic activism. In this spirit, we request that you answer the attached questionnaire.

The questionnaire contained herein is being submitted to sitting members of Congress and their declared challengers in districts across the country. We request your response by April 30, 2014 via email to questionnaire@americansikhcommittee.org. Please do not hesitate to contact us if you feel that you require further information in order to provide an educated response.

Sincerely,
